Reflect while reason holds sway, and avail yourself of the services of Dr. Pendery, whose treatment dissipates the slightest disease and cures the most harrassing weakness, or other cause of serious difficulty or perpetual annoyance

His Remedies for Venereal Diseases Are far superior to anything ever introduced into the United States, challenging the public to bring him a case he cannot cure.

VAPOR BATHS.

The inhabitants of Indianapolis and vicinity are also informed that Dr. Pendery has opened a spacious and commodious Bath Room, office No. 24 ½ East Washington street, to enable the sick and afflicted to test the efficacy of the Medicated Vapor Baths. It is not deemed necessary to dilate or in any way en-

large on the remarkable and astounding cures performed through the agency of these baths; the wonderful effect of Fumigation, of reducing medical agents to a vapor and oringing the heated vapor to the surface of the body, has attracted the attention and challenged the admira-tion of the most distinguished medical men of the age. The Vapor Baths have been introduced by the Court Surgeons, with every royal family in Europe, and have very generally received the plaudits of all classes of patients in humble as well as in the higher walks of life. The Vapor Baths are precisely adapted to every class of diseases. In Chronic Skin Diseases, Rheumatism, Dyspepsia, Nervous Headache, Palsy, Lung Disease, or any affection to which the human -ystem is liable, the

loidine Vapor, with Extract of Wild Cherry, for all forms of Lung or Bronchial Diseases, so with the thousand vegetable extracts, when reduced to a vapor and brought in contact with the skin, or any diseased surface, produces the most flattering and satisfactory results which no other form of medication can possibly attain. A trial of these Baths never fails to convince the mest skeptical of the wenderful curative power of extracts reduced to a vapor and applied exactly to the spot of dis-ease. Vapors penetrate with great rapidity, and soothe irritation and relieve pain, which no medicine taken in substance can reach.

The sick and infirm from disease, no matter how long standing, or what the disease may be, are cordially invited to give our Baths a trial. These Baths accelerate the effects of alterative medi ines, drawing disease out of the system, changing the state of the body in constitutional diseases, and increasng the action of the absorbent vessels. The specific effects are: To equalize the circulation of the blood,

To promote prespiration.

To remove the effects of mercury from the system. To promote absorption of dropsical effusions. To relieve difficulty of breathing and to cure Asthma and other diseases of the Chest and Lungs. To strengthen the stomach and impart a tone to the digestive organs, and to cure dyspepsia and its consequent disorders. To premote the healing of Scrofulous and Chronic Ulcers, and remove Gouty and Rheumatic Pains and Swell-

ings from the Joints, and to cure Lumbago, Sciatica, &c., dec. For Quinsey-the Baths never fall to relieve it. For Croup-it may be regarded as a specific. For Whooping Cough-it gives relief. For Measles—a certain specific. To cure discharges of Blood from the Lungs and other internal organs of the body—it may be relied on.

For Cholera-it is an effectual remedy, as the prespira-To cure Acute and Chronic Inflammation, the Bath, juiously medicated, is a certain specific.

The Baths have never failed to cure Cholera Morbus. The use of the Baths, (with the aid of anti-Bilious Cordial, made for the express purpose,) is a valuable remedy for the cure of Fevers of every kind. They relieve exhanstion, languor and fatigue, raise the spirits, tranquilize nervous trritations, assist digestion and increase the appetite.

The Sulpher Vapor Baths are warranted to cure and remove any and all Calices from the Joints. These Baths may be taken at all times and seasons

without risk of "taking cold." Il Poffice hours from 7 A. M. to 9 P. M. Private rooms and Baths for Ladies, with experienced Nurses in atteneance. Il Physicians are invited free of charge to test this
